THE ANTHONY NOLAN TRUST
Where leukaemia meets its match

Annual Report to September 30th 2003

WHAT a fantastic year and its all thanks to you who raised a record £25,000 through the Suffolk Support Group with your daring and not so daring fund raising, WELL DONE and THANKYOU.

The new year will start with a Disco at Stowupland Village Hall on Halloween 31st October. Tickets available £6.00 each. School Days is the theme for your dress. Phone 01449 676069 or contact me on 01449 674004.

This year's programme will include the adrenalin rushing 'Flying High' at Old Buckenham Airfield on Sunday 25th July 2004 thanks to Paul Layzell and Geoff Tucker for their support. This was such a hit last year it has to be done again so if you would like to join in the fun and do one of the daredevil stunts (Wing walking, Skydiving or Open Cockpit rides with aerobatics) contact me A.S.A.P, as the demand will be high. We will be adding a new Skydive event for Teddy Bears. We would like to thank all from the 750 club and any other person who brought their cars along on the day. It was a brilliant turnout, please come again this year but please contact me for a entry form.

The Cycle ride attracted over 150 cyclists who all enjoyed the Village Cycle Ride in May and thanks go to all who helped make this a success. This year we will be holding the Village Cycle Ride on Sunday 30th May with the starting point being around the Stowmarket area.

The other NEW item is our web site <http://www.suffolksupportgroup.org.uk/>
Keep in the picture and log on. Thanks Geoff.

Any person who can help us on either of the days above please contact me 01449 674004.

Once again thanks to all who made this year a success

Any person between 18 and 40 years of age who would like to know how they could possibly save a life should contact me for a chat. Remember Leukaemia attacks more children in the U.K. than any other disease. You can make a difference.

Thanks for your past support, long may it continue

Melvyn Douglas
